- Item No. 1 was presented by Karen Stevenson & Ellen Weed  
Sponsoring Institution(s): All TBR hosting institutions  
Proposal: Establish a new academic degree (A.A.S.) in Web Technology with two concentrations:  
1) Web Development, and 2) CIW Design

**Degree Designation [or] Type of Certificate:**

**Associate of Applied Science**  
**AAS in Web Technology**  
Concentrations:  
**Web Development**  
**CIW Design**

Delivery Site(s): RODP  
Proposed Implementation Date: Summer 2007  
The item was approved as presented.

Discussion Items:

- New format for Voting & Information Items** – Donna Whitehouse  
Donna Whitehouse reviewed the process of submitting voting and information items through SHAREPOINT with the committee. Submissions for the January 2007 curriculum meeting must be done through SHAREPOINT.
- Tech Course update by David Welch**  
David Welch has asked the General Education Faculty what should be taught in the Computer Literacy Course. He is trying to get a list of competencies for the course.

The meeting was adjourned

Respectfully submitted,  
Marian McNeil
