Dear Dr. *Ellen* Weed:

Thank you for your letter of January 4, 2007, and the additional information to support three substantive change prospectuses you had submitted on October 31, 2006. The additional information satisfactorily addressed our concerns regarding faculty member qualifications. We approve the proposals for the:

Humphrey County Center  
Horticulture and Landscape Gardening Technical Certificate  
Early Childhood Education A.A.S. (folded into this are the Early  
Childhood Education Technical Certificate and the Associate of  
Science in Teaching (A.S.T.) degree program

They shall be included within the scope of accreditation previously granted. We wish you much success with these programs, as well as all of your efforts in this new year!

Best regards,
