### Usage Statistics

During spring 2006 semester, the Learning Center averaged approximately 700 sign-ins a week. (Source: Accutrack statistics.)

Students who signed in may have used a computer or may have come for tutoring only.

During the hours of 9 and 1:30 p.m., almost every computer in the Learning Center is being used.

Student Orientations Scheduled for Room K-163

(Computer Lab available in Kisber Library.)

This included faculty who scheduled the room to work on papers or research without a librarian since they obviously needed the technology in the room.
