

Nashville State Technical Community College  
Items on Student Evaluation Instrument Used Through 2005-2006

Students were asked to rate their instructor on a five-point scale in terms of:

1. Explanation of course requirements
2. Instructor's explanation of grading policies for the course
3. Consistency of the instructor's grading system
4. Instructor's explanation of course material
5. Instructor's openness to student participation and questions
6. Instructor's ability to stimulate your interest in the subject
7. Instructor's availability for help outside the classroom
8. Instructor's explanation of student responsibilities for the course
9. Overall rating of the instructor
10. Text materials
11. Effectiveness of assignments in helping you learn the course materials
12. Effectiveness of tests in measuring what you learned
13. Overall rating of this course
14. Give an estimate of how much you have learned in this course

Faculty received class and program averages for each item.
