

Critical Advisement Information: Tennessee Transfer Pathways

1. Create a personalized academic plan for the first academic year that constitutes 9 hours in the focus area, one college-level math course, and all English *Composition* requirements.
2. Have a conversation with the student about the connection between their degree choice and ultimate career choice.
3. Help students understand resources to support student success available through Nashville State.
<https://www.nsc.edu/current-students/on-campus-resources>
4. Have a conversation with the student about how their course work will help them reach their academic goals (i.e., coursework [writing assignments, speeches, presentations, collaborative assignments, exams, discussions, readings, research, etc.] helps improve reading, writing, critical thinking, communication, interpersonal, and time management skills)
5. Have a conversation with the student about how their educational experience at NSCC has contributed to their personal growth.
6. Make sure they are aware of the Advising Sheets, Career Outcomes tool, and FAQs tool. You can email them any of the tools during or after the advisement session.
