

Technical Certificate Programs and AAS Programs

As you talk with students about technical certificate programs, you may want to encourage them to think beyond the two semesters it will take to complete most programs and to plan out the four-semester sequence to complete the AAS that the certificate program can feed into. Use the planner on the next page to help them do that.

Technical Certificate Programs	Many/Most Credits Can Apply Towards
3-D Design and Graphics	9 credits applicable to Architectural, Civil and Construction Engineering Technology, A.A.S.
Accounting	Accounting, A.A.S.
Administrative Assistant	Office Administration – Business Office Professionals, A.A.S.
Central Processing Technology	None
Computer-Aided Drafting	Architectural, Civil and Construction Engineering Tech, A.A.S.
Culinary Arts	Culinary Arts, A.A.S.
Drafting and Construction	Architectural, Civil and Construction Engineering Tech, A.A.S.
Early Childhood Education	Early Childhood Education, A.A.S.
