**D2L/NSOnline and MyNSCC e-mail:**
It is the student’s responsibility to check D2L/NSOnline and MyNSCC e-mail on a regular basis. These are the official communication channels between the college and students. Students are responsible for the information communicated through those channels. D2L/NSOnline contains specific course information and MyNSCC contains information important for other purposes.

**Academic Early Warning System:**
Nashville State Community College has implemented an Early Warning System to notify students via e-mail about academic problems such as poor classroom attendance, poor performance on assignments/tests, poor communication skills, late/missing assignments, and/or lack of classroom participation. Please note that Early Warning Alerts do not affect a student’s academic standing.

**Late Work Policy:** Each instructor will provide students with policy.

**Plagiarism/Cheating Policy:** At the discretion of the instructor, students who cheat or steal work from another source will either (1) be dismissed from class with a grade of “F” or (2) receive a grade of “F” for the assignment/test. Some examples of plagiarism and cheating are using undocumented sources, copying work verbatim from the Internet, using someone else’s work, recycling work from another class, using unauthorized notes during an exam, and/or looking on a classmate’s test/paper. Instructors may further define honor code violations on the syllabus. Many instructors use Turnitin, a software program that detects and documents plagiarized work. **Students charged with Academic Misconduct will receive written notice in person or via NSCC email or regular mail. Students have five working days to appeal the sanction to the Dean for Student Services.**

**Testing, Papers, Course Work:** Each instructor will provide students with course information.
