

**Nashville State Community College**

**Social and Behavioral Sciences**

**Lifespan Development Psychology**

**PSYC-21302018 Master Course Syllabus**

**PSYC-2130**

**Course Information:**

**Course Title:**

**Credits:**

**Class Hours:**

**Course Description:**

A survey of the biological and environmental factors influencing the physical, intellectual, social, emotional, and language development from birth until death. Explores causes and results of interruption in or interference with the developmental process. Prerequisite(s): Level 2 placement in English or concurrent enrollment in ENGL 1010 and ENGL 0815; Level 2 placement in Reading or concurrent enrollment in READ 0815. Note: PSYC 2130 meets the requirement for a Social Sciences elective.

**Instructor Information:**

**Name:**

**Email:**

**Office Phone:**

**Office Location:**

**Office Hours:**

**Required Textbook(s) & Other Materials:**

**Textbook(s):** Boyd, D., & Bee, H. (2015). Lifespan Development (7th Edition). Pearson, New York.

**ISBN:** 9780133810042

**Access Code:** (*if applicable; delete line if not applicable*)

**Reference Materials:**

**Supplies:**

Once enrolled, all students should verify that they have the correct textbook and materials information by consulting the D2L/NS Online shell for the course. If you are registered with the Access Center and

require an alternate format for the textbook and other course materials, please contact the Access Center at 615-353-3721, 615-353-3741, or [accesscenter@nscc.edu](mailto:accesscenter@nscc.edu).

## **Course Outcomes:**

Upon successful completion of this course, students should be able to:

1. Students will demonstrate familiarity with the major concepts, theoretical perspectives, empirical findings, and current trends in developmental psychology.
2. Students will understand basic research methods in developmental psychology, including research design, data analysis, and interpretation.
3. Students will respect and use critical and creative thinking, skeptical inquiry, and, when possible, the scientific approach to solve problems related to cognitive, physical, and social growth and development across the lifespan.
4. Students will understand and apply psychological principles to personal and social issues related to cognitive, physical, and social growth and development across the lifespan.
5. Students will demonstrate information competence and the ability to use computers and other technology for many purposes.
6. Students will be able to communicate effectively in a variety of formats.
7. Students will recognize, understand, and respect the complexity of sociocultural and international diversity.
8. Students will develop insight into their own, others' behavior, and mental processes and apply effective strategies for self-management and self-improvement.

## **Course Competencies:**

The following are detailed course competencies intended to support the course outcomes:

1. Compare and contrast the major developmental theorists and discuss what each brings to or adds to the study of human development.
2. Demonstrate an understanding of methods and research findings of lifespan psychology
3. Describe how people change in terms of their cognitive abilities, psychosocial development (including moral reasoning, affective development, and personality development), and biosocial status through the lifespan.
4. Identify risk factors for 'normal' growth and development at each stage of the lifespan and apply how this contributes to everyday life.

The following are general education competencies intended to support the course outcomes:

1. Demonstrate fundamental research skills by responsibly seeking out credible sources of information and applying them in an ethical manner.
2. Communicate in a scholarly manner across discussions and writings.
3. Examine sociocultural and individual differences.
4. Reflect and evaluate on one's own life story and the stories of those close to them.

## **Topics to Be Covered:**

This course begins with an introduction to human growth and development as well as an introduction to theories of development which continue to be elaborated on throughout the course. Each developmental stages of life are covered in order (prenatal development and birth, infants and toddlers, early childhood, middle childhood, adolescence, early, middle and late adulthood, and finally, issues related to death and dying) discussing the physical, cognitive and social development of each.

## **Course Assessments:**

The following performance assessments will be used to demonstrate students' understanding, knowledge, and skills: (*include type and point/percentage breakdown here*)

## **Grading Policy:**

(*Add your grading policy here*)

## **Late Work Policy & Make-up Procedures for Missed Assignments and Work:**

(*Each instructor will provide policy*)

## **Attendance Policy**

Students are expected to attend all scheduled classes and laboratories. Absences in a course may affect a student's final grade. The student is responsible for all assigned work in the course regardless of excused or unexcused absences. Tardiness may also affect a student's final grade.

In online courses, attendance is signaled by logging on to the D2L/NS Online shell, participating as prompted (e.g., responding to an instructor's email, posting to a discussion board) and/or completing and submitting assignments. Campus closures do not affect attendance and assignment completion in online courses.

(*Each instructor will provide policy, especially how attendance influences student assessment and grading.*)

## **Grading Scale:**

Letter Grade	Percentage Range
A	
B	
C	
D	
F	

## **FA**

According to NSCC policy, if a student fails a course, but has not officially withdrawn from the course, and her/his last date of attendance is before the last date to withdraw (*use date appropriate to your section*), the student will receive a grade of FA (i.e., "Failure for Attendance Reasons").

(*While the above statement should appear in all syllabi, faculty are encouraged to make additional statements or provide examples that would clarify the policy for students.*)

FN

An FN is awarded to students who never attended class.

### **Technology Statement**

Nashville State's classes are considered to be web-enhanced. Faculty have an expectation that students will use a computer and the Internet to complete assignments, engage in online discussions, and access various course materials through D2L/NS Online course shells. Computers are available for student use at each campus during campus open hours.

### **D2L/NS Online and myNSCC**

It is students' responsibility to check D2L/NS Online course shells for all enrolled courses and myNSCC, including student email, on a regular basis. These are the official communication channels between the college and students, who are responsible for the information communicated through those channels. D2L/NS Online contains specific course information and myNSCC contains information important for other purposes.

### **ADA Compliance Statement**

Nashville State complies with the Americans with Disabilities Act (ADA). If you require accommodations for any courses in which you are enrolled, contact the Access Center at 615.353.3741 or 615.353.3721, or e-mail [accesscenter@nscc.edu](mailto:accesscenter@nscc.edu). If you are registered with the Access Center and require an alternate format for the textbook and other course materials, please contact the Access Center.

### **Classroom Misconduct**

Nashville State Community College has a zero-tolerance policy for disruptive conduct in the classroom. Students whose behavior disrupts the classroom will be subject to disciplinary measures. Please review the [Nashville State Student Code of Conduct policy](#). Please be aware that children are not allowed in class or to be left unattended on campus.

### **Academic Misconduct**

Any form of academic dishonesty, cheating, plagiarizing, or other academic misconduct is prohibited. Students are responsible for understanding and abiding by the [Academic Misconduct Policy](#) in the Nashville State Student Code of Conduct. In addition to other possible disciplinary measures that may be applied through regular college procedures as a result of academic dishonesty, the instructor has the authority to assign an "F" or a "zero" for the exercise, paper, or examination, or to assign an "F" for the course. Students may appeal through the appropriate college grade appeal procedures.

*(Each instructor will outline his/her expectations for academic integrity and provide individualized information about consequences for academic misconduct.)*

### **Academic Early Alert System**

Nashville State Community College uses an Early Alert System to let students know of a faculty member's concern in one or more of these academic areas: lack of attendance, lack of classroom participation, late or missing assignments, and/or poor performance on assignments/tests. \*Please note

that Early Alerts do not affect a student's academic standing. If you receive an Early Alert email, please see your instructor and your academic advisor as soon as possible.

### **RAVE Emergency Alert System**

Emergency events can happen at any time and Nashville State Community College wants to be able notify students if and when they occur. For this reason, all students have been enrolled in the free RAVE alert system. If you have not already done so, please log in at <https://www.getrave.com/login/nscc> to confirm and update your contact information and notification preferences. It is critical that your information be correct so that you will receive any emergency notifications. Your RAVE Username is your NSCC email address. If you've never received an email from RAVE with your password, or if you need to reset your password, select "Forgot your password?" and a new password will be emailed to you. Should the RAVE system indicate "user not found", select Register and create your own RAVE account.

### **Inclement Weather & Campus Closings**

Nashville State will use the RAVE alert system to send a text message to students, staff, and faculty about adjusted hours of operation and/or closings at individual campuses. All students should check the Nashville State web site home page at [www.nscc.edu](http://www.nscc.edu) for announcements on campus closures, which may vary from campus to campus. Campus closures will also be announced on local television stations. Students should use their own best judgment in determining whether to report to campus during inclement weather when classes are not cancelled.

Even when campuses are closed, students are still responsible for completing all assigned work. When classes are cancelled, faculty will post online assignments and any additional instructions in the D2L/NS Online course shell. Check D2L/NS Online for a message from your instructor regarding your online assignment requirements. Faculty have discretion over adjusting deadlines or due date for assignments, but students are responsible for completing all assigned work by the due date established by the instructor.

### **Class Cancellation Policy**

If the class is cancelled, the instructor will notify all students by posting in the D2L/NS Online course, e-mailing through D2L/NS Online, and/or by posting a sign on the classroom door. In the event of class cancellation, students must access D2L/NS Online to complete classwork and the assignment that will be posted in the course D2L site.
