

Nashville State Community College

Community College Area of Emphasis:

Pre-Law

A.A. /A.S.

This sequence can be followed by students who begin in the fall semester. Prerequisites may apply to specific courses; it is the student's responsibility to determine if prerequisites have been met. Additional semesters will be required if prerequisite courses must be completed. Prior to registering each semester, the student is expected to consult with his/her advisor. Foreign language courses are an additional requirement for the A.A. and B.A. degrees at Tennessee Board of Regents' Universities. To maximize transferability, students should identify and consult with the university to which they intend to transfer as early as possible.
