Program Notes :
- All courses apply to the Associate of Applied Science degree in Accounting.
- All accounting curriculum courses require a grade of C or higher for completion.

It is the student's responsibility to ensure that all requirements for the certificate are met. It is best to work out a systematic approach to taking the required courses, because not all courses may be offered every semester, especially the second year courses. Please work with your accounting advisor when scheduling courses.

To receive your certificate you must complete and file an Intent to Graduate Form. The form can be obtained from the Records Office or downloaded from the Records Office website link.
