

Nashville State Community College
A.A.S. Degree in Accounting

This sequence can be followed by students who begin college-level work in the fall semester. Prerequisites may apply to specific courses; it is the student's responsibility to determine if prerequisites have been met. Additional semesters will be required if prerequisite courses, including Learning Support courses, must be completed. Prior to registering each semester, the student is expected to consult with his/her advisor.

*All computer accounting curriculum courses require a grade of C or higher for graduation. Students are required to complete a General Education exit exam that is administered by the institution and a major field exam that is administered in the capstone course. Students should become familiar with other graduation requirements listed in the catalog. It is the student's responsibility to insure that all requirements for graduation are met. Not all courses will be offered every semester, especially the second year courses. Please follow this schedule and work with your accounting advisor when scheduling courses.
