

MEMORANDUM

DATE: Academic School Year 2018-2019

TO: NSCC Faculty and Other Educators

FROM: Nashville State Community College—Education Degree Program

RE: Disposition Assessment A.S.T

This memo is to inform you about the attached Disposition Assessment Form.

Students seeking the Associate Science of Teaching Degree (AST) from Nashville State Community College (NSCC) must contact educators from three areas (NSCC education faculty, NSCC general education faculty and an educator from the local school system) and ask them to rate them on the attached Disposition Assessment Form. The aggregate scores from the Disposition Assessments will be used to determine if the student meets one of the requirements of the AST degree.

Your role will be to rate the NSCC student on the items on the form in light of your experience with this student. If there is an area that you have not observed and do not have specific information about, leave that question blank.

When you have completed this form, return it to the address below in a sealed envelope.

(NSCC faculty may use campus mail.)
