 Program: Horticulture, A.A./A.S.
 Minimum Credits Required: _____

Horticulture, A.A./A.S.

Associate of Arts and Associate of Science Degree Areas of Emphasis

A.A. and A.S. degree areas of emphasis suggest the courses that are most likely to transfer, but are not guaranteed. It is always best to contact your selected transfer university as early as possible.

A.S. / A.A. Degrees	Required Credits: 60
General Education Requirements:	41 Credits
English Composition	6 Credits
English Oral Presentation Communication	3 Credits
Literature	3 Credits
Humanities and/or Fine Arts	6 Credits
Social/Behavioral Sciences	6 Credits
History	6 Credits
Natural Sciences lab course	8 Credits
Mathematics	3 Credits
Area of Emphasis Courses in the intended baccalaureate major:	19 Credits
Total Required – Associate’s Degree:	60 Credits

Foreign language courses are an additional requirement for the A.A. and B.A. degrees at Tennessee Board of Regents’ Universities. To maximize transferability, students should identify and consult with the university to which they intend to transfer as early as possible.

Additional course requirements: The Tennessee Board of Regents requires that students either demonstrate the appropriate skill levels in math, reading, and/or writing before enrolling in college-level courses or enroll in appropriate co-requisite experiences with college-level courses to develop competency in those skills while performing college-level work. ACT/SAT scores, COMPASS test scores, or other relevant information determine whether a student needs to enroll in co-requisite courses in math, reading, and/or writing (English).

Horticulture

In addition to the general education core, these courses are recommended:

Course Name	Credits	Term Taken	Grade	Gen Ed
HORT 1010 - Intro to Horticulture	3 Credits
