

NSCC OTA PROGRAM READMISSION POLICY

Students who are dismissed from the OTA Program due to failing grades may reapply to the OTA Program one time. If the student is readmitted to the Program, he/she must retake all coursework, including any OTA coursework the student successfully completed.

If a student reapplies for the Program and is not accepted, he/she may not reapply again.

If a student reapplies to the Program, is accepted, and then is dismissed for failing two or more courses, and/or is removed for poor Professional Behaviors, he/she may not reapply.

Students dismissed for poor Professional Behaviors may not reapply.
