

**Nashville State Community College**  
**Associate of Science - Area of Emphasis: Health Sciences – (AAS - Nursing, OTA)**

This sequence can be followed by students who begin in the fall semester and are interested in applying to one of NSCC's separate application programs. Prerequisites may apply to specific courses; it is the student's responsibility to determine if prerequisites have been met. Additional semesters will be required if prerequisite courses must be completed. Prior to registering each semester, the student is expected to consult with his/her advisor. Following this sequence does not guarantee acceptance into any program.

The **Nursing** application period is January – February with an August start date. Please visit the Nursing web page for details and information on the application process. <https://www.nsc.edu/academics/degrees-certificates/nursing-a-a-s>

The **OTA** application period is December – February with an August start date. Please visit the OTA web page for details and information on the application process. <https://www.nsc.edu/academics/degrees-certificates/occupational-therapy-assistant-a-a-s>
