**Address:**

Cookeville Campus-NSCC

1000 Neal Street

Cookeville, TN 38501

Welcome to **BUS 1113**, Introduction to Business!

This is my 13th year teaching at Nashville State. I teach at the Cookeville Campus located in beautiful Cookeville, Tennessee. I first started fulltime in the 2006 Fall semester. I have 3 children who attend middle and high school. I have been married to Paula Pardue since December 2005.

I have a Bachelor degree in Electrical Engineering, a Masters in Business Administration, and a Specialist in Education degree. I continue to take college courses and am a believer in life long learning.

As your instructor, I look forward to working with you on this course. Taking a web course provides you with the opportunity to learn and to work through the course at times and places that are convenient for you. A schedule (calendar) is provided for you at this web site. I strongly recommend that you follow the schedule for each week. You must complete the assignments and tests on or before the scheduled due date, but you may work ahead and complete the course early! Please read the **Course Syllabus**, **Schedule**, and **Course Map** sections carefully so you will know what is specifically expected of you in the class.

I am scheduled to be in my office on the NSCC-Cookeville campus on Mondays through Fridays. Please feel free to email me or leave a message on my phone. Please contact me if you are having difficulty. Work hard and don't procrastinate!

I wish you well this semester!
