Recall VS. Recognition

- Subjective questions: essay or long answer
- Objective questions: true/false, multiple choice, matching
Essay Questions

- Skip the introduction
- Use pre-writing
- Avoid personal opinions
Multiple Choice Questions:

Parts of the question
- Stem
- Options
- Decoys (Distractors)

Answer like a true/false question
True/False Questions

- Beware of qualifiers
- Answer “true” **ONLY** if answer is 100% true!
- Questions are more often true than false. On average, true statements occur 51% of the time.
Matching Questions

- Answer top left first
- Answer those which you are sure of first
- Wrong answers multiply! This is one of the most dangerous question types to guess.
