Introduction

Open or Create

Open or Create ?

Current Personality:

Desire2Learn

Choose the Desire2Learn Personality

Open a Respondus file.

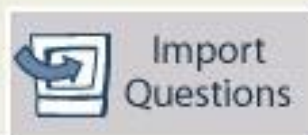

Open a test.

Create a new test.

The Respondus Exam Wizard is the quickest way to create an exam using an existing set of questions.

Import questions from a text file

Create a Respondus archive file so that questions, media, and equations are stored as a single, compressed file.

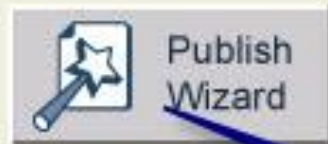

Preview & Publish
