

LEARNING SUPPORT ADVISING – Overview

Per a system-wide change in all TBR schools, Learning Support is no longer universally offered in a prerequisite format. It is only offered in a prerequisite format for students whose applied or technical program does not require college-level reading, writing/English, and/or math. All other students who test into Learning Support will take a Learning Support class (reading, writing/English, math) numbered 0815, 0825, 0835, or 0845 at the same time that they take a designated corequisite college-level class.

Please refer to documentation that follows for specific information about corequisite Learning Support. It will help you as you go through these steps.

Step One – Use myNSCC to determine a student's test scores.

Step Two – If a student's ACT/SAT scores are close to qualifying him/her to take college-level courses with no Learning support, suggest taking the ACCUPLACER test. Direct student to the Testing Center, specifying that students cannot take the ACCUPLACER test more than two times.

Step Three – Enroll student in corequisite Learning Support courses as necessary.

- a) The student must enroll in a section of 0815, 0825, 0835, or 0845 and the corequisite college-level class at the same time (i.e., the CRNs for the courses must be entered into the registration system at the same time). Banner is not programmed for a student to enroll in one of these numbered courses and then the college-level class separately because of the corequisite feature.
- b) TBR suggests that literacy be remediated first. Therefore, we will need to advise students with the following pathways in mind **for students who are Level 1 in both reading and writing/English; i.e., students who need Learning Support for both:**
 - **If a student can take only six hours**, s/he will need to enroll in READ 0815 and one of the following: ART 1035, ART 2000, ART 2020, MUS 1030, and THEA 1030.
 - **If a student can take only nine hours**, s/he will need to enroll in READ 0815, ENGL 0815, and ENGL 1010.
 - **If a student can take twelve hours**, s/he may enroll in READ 0815, ENGL 0815, ENGL 1010 and one of the following: ART 1035, ART 2000, ART 2020, HIST 2010, HIST 2020, HIST 2030, MUS 1030, PSYC 1030, PSYC 2110, PSYC 2130, SOCI 1010, THEA 1030.
- c) If a student needs only reading or English/writing, **and** needs math, enrolling in a co-requisite pair of math classes is advisable.
