The best way to do this is to keep yourself on “mute” until you need to speak.

Classroom Misconduct

Disruptive conduct is not allowed in the classroom. Disruptive conduct is any behavior that prevents students from learning and interferes with the ability of the instructor to teach. This may change from course to course; therefore, your individual instructors will give you guidance on what qualifies as “disruptive conduct” in their courses. Please review the [Nashville State Student Code of Conduct policy](#). Please be aware that children are not allowed in class or to be left unattended on campus.

Academic Misconduct

You have started this academic journey to prepare for a future career. Because of this, it is important that you learn the materials being presented in your courses. For this reason, cheating, in any form, robs you of your opportunity to learn and master the material that will enable you to succeed in that future career. Nashville State has a clear [Academic Misconduct Policy](#) that you are expected to follow. In addition, your instructors will clarify what Academic Misconduct looks like and the consequences for violations in each course that you take. The instructor has the authority to assign an “F” or a “zero” for such violations or for the semester grade.

Copyright Statement

Any images that students use for class assignments and projects must include clear permissions (image license) to use the images. Students will be expected to document the source of all of their images to ensure that proper rights have been secured to use the images. Using images that you do not have rights to use is similar to plagiarism and constitutes academic misconduct.

Academic Early Alert System

If you are not doing well in your course, your instructor may send you an Early Alert through your @my.nsc.edu email. This email will go to your academic advisor and Student Success advisor, as well. If you get an Early Alert, contact your instructor immediately. Instructors send these when they want to help you figure out how to get extra support to pass the course. An Early Alert does not mean that you have already failed the course. Rather, it means you are in danger of failing the course if you do not change your learning strategy. Please use an Early Alert to your advantage and as an opportunity to improve your grade.

RAVE Emergency Alert System

You can log in to this free alert system to receive text messages about emergencies related to NSCC campuses: <https://www.getrave.com/login/nsc>. The instructions for this are listed below.

Preferred Name and Pronoun:

Courtesy and sensitivity are important with respect to individuals and topics dealing with differences of race, culture, religion, sexual orientation, gender, and nationalities. Class rosters are provided to the instructor with the student’s legal name, but I will gladly honor your request to address you by an alternate name or gender pronoun. Please advise me of this preference early in the semester so that I may make appropriate changes to my gradebook and roster. Please use your preferred name on screen in the Zoom class, and gently correct me if I mis-pronounce your name or use the wrong pronoun.

Inclement Weather & Campus Closings

You get notices about campus closings in these places: text messages from RAVE and www.nsc.edu.

Even when campuses are closed, you are still responsible for completing all assigned work. Check D2L/NS Online for a message from your instructor so you do not miss important assignments and due dates, which may change due to the campus closure.

Class Cancellation Policy

Our instructors post messages about cancelling classes in the D2L/NSOnline course shells and/or on the classroom door on campus. These messages can be found in the News and Content section or the Email tab in the online shell. Please check these to be sure that you take advantage of opportunities for learning and points toward your grade.

Notice of Right to Retain Student Work

The Visual Communications Program reserves the right to retain selected copies of student work for teaching purposes, promotional purposes, and as part of its permanent collection.

Field Trips and Guest Speakers

A brief report will be required of each student describing what was learned from each trip or speaker. Although field trip attendance is not mandatory, a comparable research report will be assigned to students who are unable to attend. These reports will be due at the beginning of the next class period.

If possible, speakers or trips will be scheduled during regular class time. Students are responsible for their own transportation and safety. All students attending a field trip will sign a form releasing the school from liability.
