Homework must be submitted to the instructor by the due date. Please do not wait until the last day to turn in homework because last minute computer problems could prevent you from getting the assignment in on time. Computer problems are not considered an excuse for late homework. **LATE HOMEWORK WILL NOT BE ACCEPTED AND WILL RECEIVE ZERO POINTS.**

Drug Homework (Chapters 11 through 26)

Drug homework will be submitted through the Assignment Dropbox section within NS Online. You can also access the drug homework by week from the Content page. Homework must be submitted to the instructor by the due date. **LATE HOMEWORK WILL NOT BE ACCEPTED. A GRADE OF "ZERO" WILL BE ASSIGNED. INCOMPLETE DRUG HOMEWORK WILL ALSO NOT BE ACCEPTED AND WILL RECEIVE ZERO POINTS.** If submitted homework is submitted as a "cut and paste" from a drug reference the assignment will receive Zero points.

Tests

There are 4 tests. The 1st test over Chapters 1-10 is a proctored test and will need to be taken through Respondus Mirror, or if you do not have a computer with a webcam, at the Testing

Center at Nashville State Community College or a designated testing center approved by the instructor. **Proctored testing requires that you come on campus to take your tests IF YOU DO NOT HAVE A COMPUTER WITH A WEBCAM.** The Respondus Mirror and Testing Center staff have the passwords and will input for you so that you can access your tests. If you are coming to the White Bridge Campus, you will need to come to the Testing Center which is located in the Student Services Building. Testing Center policies require that you have a photo ID to take a test in the testing center. You should allow at least 1 hour to complete a test. You must be in the Testing Center at least 1 hour before closing time or you will not be allowed to take the test. No children under 12 years of age will be allowed in the Testing Center while their parent is taking a test. Testing Center policies and hours for ALL campuses can be found at:

<https://www.nsc.edu/current-students/on-campus-resources/testing-center> **PLEASE NOTE: When taking a test at the Testing Center you will need to give them your course number (HCMT 2330), instructor name (Alvarado), and specific test number that you are taking for the course (Test#1 for Chapters 1-10).** If you are taking this course at a distance and cannot take your testing via Respondus Mirror or unable to come to the Nashville State Testing Center, it will be your responsibility to make arrangements for a proctored exam. Contact your instructor to discuss the matter. If you do not have a computer with a webcam you can request the use of a loaner laptop for the semester:

FA

If you stop attending class or if you are in an online class and stop submitting assignments, but do not turn in a withdrawal form by the deadline, you are still enrolled in class. You will be given a grade of FA, which means you have failed due to not attending class and not completing your assignments. Please refer to the current academic calendar available on the Nashville State web site, looking for the date that indicates it is the "Last Day to Earn F for Attendance (FA)." If you stop attending your course after this date, you will receive an F.

According to NSCC policy, an FA is awarded to students who do not officially withdraw from a course and do not attend after the cut-off date provided in the academic calendar. Please refer to the current academic calendar available on the Nashville State web site, looking for the date that indicates it is the "Last Day to Earn F for Attendance (FA)." Students who stop attending on or before this date receive an FA; students who stop attending after this date receive an F.

For online courses, attendance is defined by submission of assignments. Students who fail a course and whose last assignment is submitted on or before the FA date will earn an FA for the course. Students who fail a course and whose last assignment is submitted after the FA date will earn an F for the course. An FN is assigned to students who do not submit any assignments.

FN

An FN is awarded if you have never attended your course or done any of the work in an online course.

Late Work Policy & Make-up Procedures for Missed Assignments and Work:

- There are specific due dates set for homework assignments and exams. Homework due dates and test/quiz dates will be strictly adhered to and will not be extended. Failure to complete homework and exams by the due dates will result in a grade of zero for that assessment.
- **NO MAKE UP TESTS OR QUIZZES WILL BE GIVEN.** A grade of "zero" will be assigned for any test/quiz that has not been taken.
- Please check your weekly assignments and semester calendar to check dates that are the last acceptable dates for completing the tests and quizzes. **ALL DUE DATES ARE LISTED ON THE COURSE OUTLINE.** It is recommended that you print the course outline and semester calendar and keep a copy with your text materials.

Attendance Policy:

General Policy

- *Absences in a course may affect your final grade.*
- *Tardiness may also affect your final grade.*
- *You are responsible for all work/tests that occur during any missed course session(s) regardless of reason(s) for absence.*
- *If you are not well enough to attend a course session (class), you must notify the instructor as soon as possible before the scheduled course time.*

result in a grade of zero for that assessment. Online attendance is measured by submission of assignments and completing tests and quizzes. If a student does not submit their assignments or fails to take a quiz or test they will be considered absent (non participating). Simply logging in to the classroom does not count as attending. Students must actively participate (submit assignments as well as quizzes and tests) in the course to be considered attending.

In cases where student absences are the result of emergency circumstances (e.g. death in the family, a student's serious injury or incapacitating illness), for which the students are unable to make immediate contact with faculty, the students are unable to make immediate contact with faculty, the student may contact the Dean for Students Services Office for assistance in providing such immediate notification to faculty. However, the student remains responsible for verify the emergency circumstances to faculty and for discussing arrangements with faculty for completion of course work requirements. (Student Handbook)

If you decide to drop this class, please check the printed semester schedule or the NSCC website for the last day to withdraw and receive a "W". The drop date will also be noted on the semester calendar for this course. You must complete an add/drop form or drop using MYNSCC before this date in order to receive a "W" rather than an "F".

For financial aid purposes, **attendance** is measured by participation in the course. Instructors can determine your level of participation in several ways. Some of those ways are:

- continued attendance
- participation in on-ground or virtual class sessions
- participating in D2L as prompted
- responding to an instructor's email
- posting to a discussion board
- completing and submitting assignments

Classroom Misconduct

Disruptive conduct is not allowed in the classroom. Disruptive conduct is any behavior that prevents students from learning and interferes with the ability of the instructor to teach. This may change from course to course; therefore, your individual instructors will give you guidance on what qualifies as “disruptive conduct” in their courses. Please review the [Nashville State Student Code of Conduct policy](#). Please be aware that children are not allowed in class or to be left unattended on campus.

Academic Misconduct

You have started this academic journey to prepare for a future career. Because of this, it is important that you learn the materials being presented in your courses. For this reason, cheating, in any form, robs you of your opportunity to learn and master the material that will enable you to succeed in that future career. Nashville State has a clear [Academic Misconduct Policy](#) that you are expected to follow. In addition, your instructors will clarify what Academic Misconduct looks like and the consequences for violations in each course that you take. The instructor has the authority to assign an “F” or a “zero” for such violations or for the semester grade.

“Plagiarism may result from: (1) failing to cite quotations and borrowed ideas, (2) failing to enclose borrowed language in quotation marks, and (3) failing to put summaries and paraphrases in your own words (A Writer’s Reference 331). Academic dishonesty may be defined as, but is not limited to, intentionally trying to deceive by claiming credit for the work of another person, using information from a web page or source without citing the reference, fraudulently using someone else’s work on an exam, paper, or assignment, recycling your own work from another course, purchasing papers or materials from another source and presenting them as your own, attempting to obtain exams/materials/assignments in advance of the date of administration by the instructor, impersonating someone else in a testing situation, providing confidential test information to someone else, submitting the same assignment in two different classes without requesting both instructor’s permission, allowing someone else to copy or use your work, using someone else’s work to complete your own, altering documents, transcripts or grades, and forging a faculty/staff member’s signature.

Academic Early Alert System

If you are not doing well in your course, your instructor may send you an Early Alert through your @my.nsc.edu email. This email will go to your academic advisor and Student Success advisor, as well. If you get an Early Alert, contact your instructor immediately. Instructors send these when they want to help you figure out how to get extra support to pass the course. An Early Alert does not mean that you have already failed the course. Rather, it means you are in danger of failing the course if you do not change your learning strategy. Please use an Early Alert to your advantage and as an opportunity to improve your grade.

RAVE Emergency Alert System

You can log in to this free alert system to receive text messages about emergencies related to NSCC campuses: <https://www.getrave.com/login/nsc>. The instructions for this are listed below.

- Your RAVE Username is your NSCC email address.
- If you've never received an email from RAVE with your password, or if you need to reset your password, select “Forgot your password?” and a new password will be emailed to you.
- Should the RAVE system indicate “user not found”, select Register and create your own RAVE account.

Inclement Weather & Campus Closings

You get notices about campus closings in these places: text messages from RAVE and www.nsc.edu. Even when campuses are closed, you are still responsible for completing all assigned work. Check D2L/NS Online for a message from your instructor so you do not miss important assignments and due dates, which may change due to the campus closure.

Class Cancellation Policy

Our instructors post messages about cancelling classes in the D2L/NSOnline course shells and/or on the classroom door on campus. These messages can be found in the News and Content section or the Email tab in the online shell.
