Nashville State Community College Division of Healthcare Professions

Occupational Therapy Assistant Program

Master Course Syllabus OTAP 2320 Practical Applications

The purpose of the syllabus is to tell you how the course is organized, what the expectations are, and how you will be graded. In addition, there is important information about how the college will operate during severe weather and how the college will communicate with you. The syllabus is not a contract. Instead, it is meant to help you succeed in this course. If any of the content changes during the semester, you will be notified.

Course information:

Course Title: OTAP 2320 Practical Application of Occupations

Credits: 3 Class Hours: 2 lecture, 3 lab

Course Description:

A study of physical and mental health limitations and obstacles to occupational engagement for individuals and populations. Topics include common diagnoses and treatment environments, treatment for areas of occupation (ADL, IADL, rest and sleep, education, work, play, leisure, and social participation), considering performance skills, performance patterns, client factors and context will be reviewed. Students will be required to develop applications for enabling function, mental health, and physical well-being. Pre reqs: OTAP 1240, OTAP 1340, OTAP 1350, OTAP 1360, OTAP 1370, OTAP 1380 or permission by instructor

Required Textbook(s) & Other Materials:

Adult Physical Conditions Intervention Strategies for Occupational Therapy Assistants. Mahle and Ward, 1 st edition

Once you have registered for your courses, you should make sure you have the correct textbook and materials for each course. Before courses begin, you can do this by looking up your courses on the

bookstore's website (https://www.bkstr.com/nsccstore/shop/textbooks-and-course-materials) using your A# or by entering your course information. If you are registered with the Access Center and need an alternate format for the textbook and other course materials, please contact the Access Center at 615-353-3721, 615-353-3741, or accesscenter@nscc.edu

Digital Course Materials: These ensure you pay less for your course materials and have easy access through D2L throughout the semester. When you registered for this course, the charge for these materials appeared on your account. If you decide you do not want to purchase the course materials embedded in NS Online, you can opt out of the program **until the end of the second week of classes**. If you opt out, you will be responsible for purchasing the required course materials on your own. For more information, please visit www.nscc.edu/dcm.

Honors Option: Honors credit is available in some classes. If you are interested in participating in the Honors Program, please see your instructor within the first four weeks of class.

Course Outcomes: At the end of the semester, this is what you should know and/or be able to do:

The student, upon completion of this course, will be able to:	ACOTE Standards	Teaching/Learning Strategies	Evaluation Methods
Demonstrate knowledge of global social issues and prevailing health and wellness needs of individuals, and use logical thinking, critical analysis, problem solving, and creativity to balance performance areas in the achievement or maintenance of health and wellness for that population	B.1.3 B.3.4	Data Collection Interviews with individuals Lab Practice Wellness Activity	Module Assignments
Understand the models of health care, reimbursement, education, community, and social systems as they relate to the practice of occupational therapy with adults and geriatric individuals	B.2.1 B.4.29	Treatment Planning Lab Practice	Module Assignments
Gather and share data using methods	B.4.24 B.4.4	Data collection	Occupational Profile Assignment

Course Competencies:

The following are detailed course competencies, or specific skills or knowledge, intended to help you achieve the course outcomes:

• See OTA course schedule for details

Topics to Be Covered:

See OTA course schedule for details

Course Assessments: We will use the following assessments to demonstrate your understanding, knowledge, and skills:

Getting Started Discussion	5 points
Discussion Topics	30 points
Module 1- Wellness(occupational profile, ICE learning activity, photos of home, community resources, client signature, collaboration with OT)	55 points
Module 2- Acute Setting(treatment plan, ICE learning activity, client signature, collaboration with OT, clinician signature)	100 points
Module 3- Rehab or Long Term Inpatient (treatment plan, ICE learning activity, client signature, collaboration with OT, clinician signature)	100 points
Module 4- oupt., home health or day tx(treatment plan, ICE learning activity, client signature, collaboration with OT, clinician signature)	100 points
Module 5- Assisted Living/Group home(Group Treatment Plan, Simucase activity Individual Signature), collaboration with OT)	45 points
Module 6- End of Life(treatment plan, simucase activity, individual signature, collaboration with OT, clinician interview)	100 points
Skills Video(module 2-6)	25 points
Clinician Interview Template	20 points
Quizzes (4 x 25 points)	100 points
Pop Quizzes(7 x 10)	70 points

Bonus – check yourself mid-term	Up to 10 points
class participation	

Grading Policy:

The OTA Program utilizes the following grading scale: 93 - 100 = A85 - 92 = B75 - 84 = C74 and Below = failing

Grading Scale:

Letter Grade	Percentage Range
Α	93-100
В	85-92
С	75-84
F	Below 75

FA

If you stop attending class or if you are in an online class and stop submitting assignments, but do not turn in a withdrawal form by the deadline, you are still enrolled in class. You will be given a grade of FA, which means you have failed due to not attending class and not completing your assignments. Please refer to the current academic calendar available on the Nashville State web site, looking for the date that indicates it is the "Last Day to Earn F for Attendance (FA)." If you stop attending your course after this date, you will receive an F.

FN

An FN is awarded if you have never attended your course or done any of the work in an online course.

Late Work Policy & Make-up Procedures for Missed Assignments and Work:

See OTA course policies for details

Attendance Policy

See OTA course policies for details

General Policy

- Absences in a course may affect your final grade.
- Tardiness may also affect your final grade.
- You are responsible for all work/tests that occur during any missed course session(s) regardless of reason(s) for absence.
- If you are not well enough to attend a course session (class), you must notify the instructor as soon as possible before the scheduled course time(see attendance policy/virtual access policy in course policies)

- If you are unable to notify an instructor before the scheduled course time, you must contact the instructor as soon as reasonably possible.
- If you have an unavoidable conflict with a scheduled course session, you must notify the instructor before the course session.
 - If you are unable to notify an instructor before the scheduled course time, you must contact the instructor as soon as reasonably possible.

Instructor's Policy

The attendance policy for this course is: see OTA course policies for details

For financial aid purposes, **attendance** is measured by participation in the course. Instructors can determine your level of participation in several ways. Some of those ways are:

- continued attendance
- participation in on-ground or virtual class sessions
- participating in D2L as prompted
- responding to an instructor's email
- posting to a discussion board
- completing and submitting assignments

Technology Statement

- All classes at the College are web enhanced. "Web enhanced" means that components of the
 course, such as assignments and online discussions, may be located online in the class D2L/NS
 Online course shell and used in the course, even if the course meets in a classroom on ground.
- You must have access to a computer and an internet connection to complete assignments, engage in online discussions, and access various course materials through D2L/NS Online course shells.
- You may also be required to use free video conferencing platforms (examples: Zoom, Teams, etc.) for course sessions and meetings.
- You will be responsible for appropriate dress while on video. This means that you are expected to dress as if you were in a classroom.
- You will be responsible for a distraction free environment while on video. This means that the
 professor and others in the course should not be able to hear noise in your home, such as cell
 phones, TVs, or barking dogs. The best way to do this is to keep yourself on "mute" until you
 need to speak.
- You will be responsible for making sure your background is neutral. Keep in mind that students
 and professors come from all around the world, and you are all a part of our community.
 Therefore, please avoid having images in your background that may be offensive to your
 classmates.
- Certain publisher materials, such as textbook figures, may not work on cellphones and may require a laptop or a tablet.
- If you have questions or concerns regarding access to a computer or internet resources, please
 contact your instructor. Additional information is available on this website:
 https://www.nscc.edu/current-students/student-online-resources/access-to-internet-and-technology.

Computer Labs

Computers are available for all Nashville State students to use at each campus during open hours. Open computer lab availability may vary from campus to campus.

You should check the NSCC website for current hours of operation.

D2L/NS Online and myNSCC

It is your responsibility to check your email in **both** D2L/NS Online course shells and your @my.nscc.edu (student email) on a regular basis. These are the official communication channels between the college and you. You are responsible for the information communicated through these email channels. D2L/NS Online emails contain specific course information and @my.nscc.edu emails contain important information from college offices, such as Financial Aid.

ADA Compliance Statement

If you need accommodations due to a disability, please do not hesitate to reach out to our Access Center. Disabilities for which you can receive accommodations include documented physical, emotional, and/or learning conditions. Nashville State is committed to supporting your success, and we encourage you to get assistance if needed. If you require accommodations for any courses in which you are enrolled, contact the Access Center at 615.353.3741 or 615.353.3721, or e-mail accesscenter@nscc.edu.

Classroom Misconduct

Disruptive conduct is not allowed in the classroom. Disruptive conduct is any behavior that prevents students from learning and interferes with the ability of the instructor to teach. This may change from course to course; therefore, your individual instructors will give you guidance on what qualifies as "disruptive conduct" in their courses. Please review the Nashville State Student Code of Conduct policy. Please be aware that children are not allowed in class or to be left unattended on campus.

Academic Misconduct

You have started this academic journey to prepare for a future career. Because of this, it is important that you learn the materials being presented in your courses. For this reason, cheating, in any form, robs you of your opportunity to learn and master the material that will enable you to succeed in that future career. Nashville State has a clear <u>Academic Misconduct Policy</u> that you are expected to follow. In addition, your instructors will clarify what Academic Misconduct looks like and the consequences for violations in each course that you take. The instructor has the authority to assign an "F" or a "zero" for such violations or for the semester grade.

Academic Early Alert System

If you are not doing well in your course, your instructor may send you an Early Alert through your @my.nscc.edu email. This email will go to your academic advisor and Student Success advisor, as well. If you get an Early Alert, contact your instructor immediately. Instructors send these when they want to help you figure out how to get extra support to pass the course. An Early Alert does not mean that you have already failed the course. Rather, it means you are in danger of failing the course if you do not change your learning strategy. Please use an Early Alert to your advantage and as an opportunity to improve your grade.

RAVE Emergency Alert System

You can log in to this free alert system to receive text messages about emergencies related to NSCC campuses: https://www.getrave.com/login/nscc. The instructions for this are listed below.

- Your RAVE Username is your NSCC email address.
- If you've never received an email from RAVE with your password, or if you need to reset your password, select "Forgot your password?" and a new password will be emailed to you.
- Should the RAVE system indicate "user not found", select Register and create your own RAVE account.

Student Wellness

Your well-being is important to us. With this in mind, the college has several resources available to provide support when needed:

- Free tutoring: https://www.nscc.edu/current-students/on-campus-resources/learning-center-and-tutoring
- NSCC email, scheduling, online courses, textbooks, tech check out and support, computer labs on campuses, academic advising, financial advising, COVID-19 information and procedures on campuses: https://www.nscc.edu/current-students/student-online-resources
- Services that help with bus passes, food, childcare, textbooks, housing, financial counseling, personal counseling, suicide prevention, health insurance: https://www.nscc.edu/current-students/on-campus-resources/student-support-services

Equity Statement

We are taking steps to become more aware of the many different needs of students. Faculty, staff and administrators are committed to helping students find ways to meet their needs so that ALL students can reach their goals. Please ask for things you need.

Inclement Weather & Campus Closings

You get notices about campus closings in these places: text messages from RAVE and www.nscc.edu. Even when campuses are closed, you are still responsible for completing all assigned work. Check D2L/NS Online for a message from your instructor so you do not miss important assignments and due dates, which may change due to the campus closure.

Class Cancellation Policy

Our instructors post messages about cancelling classes in the D2L/NSOnline course shells and/or on the classroom door on campus. These messages can be found in the News and Content section or the Email tab in the online shell. Please check these to be sure that you take advantage of opportunities for learning and points toward your grade.
