Office Location:

Office Hours:

Required Textbook(s) & Other Materials:

Textbook(s): Contemporary World Regional Geography: Fourth Edition

Bradshaw - White – Dymond - Chacko McGraw-Hill 2012

ISBN: 978-0-07-352286-9

Reference Materials: None

Supplies: None

Once enrolled, all students should verify that they have the correct textbook and materials information by consulting the D2L/NS Online shell for the course. If you are registered with the Access Center and

require an alternate format for the textbook and other course materials, please contact the Access Center at 615-353-3721, 615-353-3741, or accesscenter@nsc.edu.

Course Outcomes:

Upon successful completion of this course, students should be able to:

- Analyze and identify major relief features of Europe, East Asia, South East Asia and Oceania, as well as the location of countries and major cities.
- Evaluate and understand those geographical factors which have influenced history, landforms, climate, natural resources, agriculture, industry, and human spatial patterns.
- Evaluate and become more aware of international and cultural diversity.
- Understand the tools for geography; this includes analysis of maps, charts and graphs.

Course Competencies:

The following are detailed course competencies intended to support the course outcomes:

Upon successfully completing this course a student's grasp of the regions and countries will be measured by one's knowledge of map locations as indicated by map proficiency tests. Understanding of the larger cultural and regional issues will be discovered by test questions of regional significant data.

The following are general education competencies intended to support the course outcomes:

1. Demonstrate fundamental research skills by responsibly seeking out credible sources of information and applying them in an ethical manner.
2. Communicate in a scholarly manner across discussions and writings.
3. Examine sociocultural and individual differences.
4. Reflect and evaluate on one's own life story and the stories of those close to them.

Topics to Be Covered:

Chapter 1: Globalization and World Regions

Chapter 2: Concepts in World Regional Geography

Chapter 3: Europe

Chapter 4: Russia and Neighboring Countries

Chapter 5: East Asia

Chapter 6: Southeast Asia

Chapter 10: Australia, Oceania, and Antarctica

Course Assessments:

The following performance assessments will be used to demonstrate students' understanding, knowledge, and skills:

Upon successfully completing this course a student's grasp of the regions and countries will be measured by one's knowledge of map locations as indicated by map proficiency tests. Understanding of the larger cultural and regional issues will be discovered by test questions of regional significant data.

Grading Policy:

Grades will be figured as follows:

| | |
|--|--|
| | |
| | |
| | |
| | |
| | |

Late Work Policy & Make-up Procedures for Missed Assignments and Work:

No provision is made for make-up exams. In case of emergencies or extreme hardship, contact the instructor immediately. Documentation is required for medical or other pre-approved reasons.

Attendance Policy

Students are expected to attend all scheduled classes. Absences in a course may affect a student's final grade. The student is responsible for all assigned work in the course regardless of excused or unexcused absences. Tardiness may also affect a student's final grade.

In online courses, attendance is signaled by logging on to the D2L/NS Online shell, participating as prompted (e.g., responding to an instructor's email, posting to a discussion board) and/or completing and submitting assignments. Campus closures do not affect attendance and assignment completion in online courses.

You must log on into your online class **GEOG-1035** at least once every week.

All tests (Quizzes, Assignments, Map Quizzes, and the Final Exam) **must be submitted by the date assigned or they will be graded as "0" or "F"**. To fail to be online may mean that you will miss a key theme that would prove harmful to your understanding and performance in the course.

The quizzes will check whether or not you have read the assigned material. Your class grade will depend on your performance on the quizzes. **I strongly advise that you do all your reading.**

Grading Scale:

| Letter Grade | Percentage Range |
|--------------|------------------|
| A | 90-100% |
| B | 80-89% |
| C | 70-79% |
| D | 60-69% |
| F | 59 and below% |

FA

According to NSCC policy, if a student fails a course, but has not officially withdrawn from the course, and her/his last date of attendance is before the last date to withdraw (*use date appropriate to your section*), the student will receive a grade of FA (i.e., "Failure for Attendance Reasons").

(While the above statement should appear in all syllabi, faculty are encouraged to make additional statements or provide examples that would clarify the policy for students.)

FN

An FN is awarded to students who never attended class.

Technology Statement

Nashville State's classes are considered to be web-enhanced. Faculty have an expectation that students will use a computer and the Internet to complete assignments, engage in online discussions, and access various course materials through D2L/NS Online course shells. Computers are available for student use at each campus during campus open hours.

D2L/NS Online and myNSCC

It is students' responsibility to check D2L/NS Online course shells for all enrolled courses and myNSCC, including student email, on a regular basis. These are the official communication channels between the college and students, who are responsible for the information communicated through those channels. D2L/NS Online contains specific course information and myNSCC contains information important for other purposes.

ADA Compliance Statement

Nashville State complies with the Americans with Disabilities Act (ADA). If you require accommodations for any courses in which you are enrolled, contact the Access Center at 615.353.3741 or 615.353.3721, or e-mail accesscenter@nsc.edu. If you are registered with the Access Center and require an alternate format for the textbook and other course materials, please contact the Access Center.

Classroom Misconduct

Nashville State Community College has a zero-tolerance policy for disruptive conduct in the classroom. Students whose behavior disrupts the classroom will be subject to disciplinary measures. Please review the [Nashville State Student Code of Conduct policy](#). Please be aware that children are not allowed in class or to be left unattended on campus.

Academic Misconduct

Any form of academic dishonesty, cheating, plagiarizing, or other academic misconduct is prohibited. Students are responsible for understanding and abiding by the [Academic Misconduct Policy](#) in the Nashville State Student Code of Conduct. In addition to other possible disciplinary measures that may be applied through regular college procedures as a result of academic dishonesty, the instructor has the authority to assign an "F" or a "zero" for the exercise, paper, or examination, or to assign an "F" for the course. Students may appeal through the appropriate college grade appeal procedures.

(Each instructor will outline his/her expectations for academic integrity and provide individualized information about consequences for academic misconduct.)

Academic Early Alert System

Nashville State Community College uses an Early Alert System to let students know of a faculty member's concern in one or more of these academic areas: lack of attendance, lack of classroom participation, late or missing assignments, and/or poor performance on assignments/tests. *Please note that Early Alerts do not affect a student's academic standing. If you receive an Early Alert email, please see your instructor and your academic advisor as soon as possible.

RAVE Emergency Alert System

Emergency events can happen at any time and Nashville State Community College wants to be able to notify students if and when they occur. For this reason, all students have been enrolled in the free RAVE alert system. If you have not already done so, please log in at <https://www.getrave.com/login/nscc> to confirm and update your contact information and notification preferences. It is critical that your information be correct so that you will receive any emergency notifications. Your RAVE Username is your NSCC email address. If you've never received an email from RAVE with your password, or if you need to reset your password, select "Forgot your password?" and a new password will be emailed to you. Should the RAVE system indicate "user not found", select Register and create your own RAVE account.

Inclement Weather & Campus Closings

Nashville State will use the RAVE alert system to send a text message to students, staff, and faculty about adjusted hours of operation and/or closings at individual campuses. All students should check the Nashville State web site home page at www.nsc.edu for announcements on campus closures, which may vary from campus to campus. Campus closures will also be announced on local television stations. Students should use their own best judgment in determining whether to report to campus during inclement weather when classes are not cancelled.

Even when campuses are closed, students are still responsible for completing all assigned work. When classes are cancelled, faculty will post online assignments and any additional instructions in the D2L/NS Online course shell. Check D2L/NS Online for a message from your instructor regarding your online assignment requirements. Faculty have discretion over adjusting deadlines or due date for assignments, but students are responsible for completing all assigned work by the due date established by the instructor.

Class Cancellation Policy

If the class is cancelled, the instructor will notify all students by posting in the D2L/NS Online course, e-mailing through D2L/NS Online, and/or by posting a sign on the classroom door. In the event of class cancellation, students must access D2L/NS Online to complete classwork and the assignment that will be posted in the course D2L site.

Honors Option

If you wish to take this course for honors credit, you must be enrolled in the Honors College and complete an Honors Contract. It is your responsibility to inform your instructor within the first four weeks of the semester that you want to complete an Honors Contract for this course.
