\*These courses count toward the Surgical Technology and Central Processing Technology Certificates and may be taken prior to acceptance into either program. Taking these courses does not guarantee acceptance into these programs.

**Additional Program Requirements**

- Must submit an NSCC Application for Admission
- Must have high school diploma or GED
- Completion of all Learning Support competencies for reading and writing.
- Must submit a complete program application by the appropriate deadline.
- Must submit complete set of transcripts with program application by the appropriate deadline
- Must complete a panel interview
- Selection will be based on a composite admission score consisting of points from the panel interview, GPA, related work experience, courses taken toward program, and Tennessee residency.

**NOTE:** Students accepted into the Central Processing Technology Program will be required to provide a copy of a background check and drug screening. NSCC doesn't use the background check or drug screenings as criteria for admission to the program. Background checks and/or Drug Screenings are required by some clinical sites as a condition of participation. Students are required to participate in a variety of clinical experiences to successfully complete the program. For questions regarding the background check, please call 615-353-3708.
