

NASHVILLE STATE COMMUNITY COLLEGE OER NEWSLETTER

“The principal goal of education in the schools should be creating men and women who are capable of doing new things, not simply repeating what other generations have done.” —Jean Piaget

ASCCC OERI WEBINARS AND EVENTS

The ASCCC OERI provides professional development regarding OER via webinars, visits to colleges, events, and presentations. During the academic year, weekly webinars provide a forum to share discipline-based information as well as information on specific topics related to OER advocacy, adoption, and development. Live webinars provide an opportunity for the OERI to hear from faculty at the colleges, and our archived webinars serve as a useful library of resources.
