

## August 2024 Report

During July and August 2024, The Teaching Center:

- Scheduled, promoted, moderated, and updated The Teaching Center's data tracking of attendance for **39 professional development sessions**.
  - This includes scheduling, promoting, and moderating sessions for the Access Center and Financial Aid.
- Helped NSCC employees complete **779.08 hours** of professional learning through The Teaching Center, which includes:
  - **365.48 hours** - Culturally Responsive Teaching Practices professional learning.
  - **699.98 hours** of professional learning emphasizing Learning.
  - **567.42 hours** of professional learning emphasizing Equity Driven.
  - **636.08 hours** of professional learning emphasizing Accountability.
  - **557.48 hours** of professional learning emphasizing Data-Informed.
  - **708.08 hours** of professional learning emphasizing Student-Centered.
- Introduced 2 professional learning communities (PLCs) for fall 2024.
  - One PLC is focused on *Supercommunicators: How to Unlock the Secret Language of Connection* by Charles Duhigg, and the second PLC is focused on *The Five Languages of Appreciation in the Workplace* by Gary Chapman and Paul White and is using data from Nashville State's College Engagement Survey from fall 2023 and spring 2024 to inform the learning process.
- Created and distributed a daily newsletter promoting professional learning to all faculty and to chairs of Administrative Assembly and Staff Assembly to share with their constituencies throughout Fall Flourish: Refreshing our Teaching Toolbox.
- Updated website with professional learning opportunities and resources.
- Updated Professional Development Library with recordings of professional learning sessions.
- Started NSCC's first ACUE Effective Online Teaching Practices cohort.
- Awarded 36 badges for employees who engaged in 8 hours or more of professional learning during Fall Flourish: Refreshing our Teaching Toolbox.
- 19 faculty earned ACUE's Effective Teaching Practices Framework credential and were pinned in August.

The Teaching Center has led NSCC employees in **9,355.04** hours of professional development since August 2019, including **5,125.04 hours** focused on Culturally Responsive Teaching Practices (CRTP.)
