

The Teaching Center
Nashville State Community College

October 2024 Report

During October 2024, The Teaching Center:

- Scheduled, promoted, moderated, and updated The Teaching Center's data tracking of attendance for **12 professional development sessions from The Teaching Center**.
 - 24 total PD sessions were promoted during October through The Teaching Center. These include free professional development opportunities from TBR and other entities.
- Helped NSCC employees complete **920.71 hours** of professional learning through The Teaching Center during the 2024-2025 academic year, which includes:
 - **411.48 hours** - Culturally Responsive Teaching Practices professional learning.
 - **833.61 hours** of professional learning emphasizing Learning.
 - **642.61 hours** of professional learning emphasizing Equity Driven.
 - **736.71 hours** of professional learning emphasizing Accountability.
 - **663.11 hours** of professional learning emphasizing Data-Informed.
 - **845.71 hours** of professional learning emphasizing Student-Centered.
- Moderated 2 professional learning communities (PLCs) for fall 2024.
 - The *Supercommunicators: How to Unlock the Secret Language of Connection* by Charles Duhigg ended in September. 23 employees engaged in this PLC.
 - The second PLC focused on *The Five Languages of Appreciation in the Workplace* by Gary Chapman and Paul White and used data from Nashville State's College Engagement Survey from fall 2023 and spring 2024 to inform the learning process.
- Updated website with professional learning opportunities and resources.
- Updated Professional Development Library with recordings of professional learning sessions.
- Served as cohort advisor for NSCC's first ACUE Effective Online Teaching Practices (EOTP) cohort. The cohort is completing the first module this week, and 5 cohort members have earned the ACUE EOTP Course Badge for Creating a Productive Online Learning Environment.

- Began planning for Spring into Success Professional Learning Conference, which will be held January 13 – 16, 2025. The call for session proposals for this conference was sent in October to the college community.
- Continue to build a professional learning resource in D2L for faculty. Our goal is for the resource to be available for all faculty in January 2025.

The Teaching Center has led NSCC employees in **9,516.17** hours of professional development since August 2019, including **5,181.04 hours** focused on Culturally Responsive Teaching Practices (CRTP.)
